E550A
2 port 10 GbE LAN PCIe card

■ Introduction:

LAN Intel® Ethernet Controller X550-AT2

Top

■ Features:

- Intel X550-AT2 LAN chipset for PCIe v3.0 (8 GT/s) x4 interface
- Support jumbo frames of up to 15.5 KB
- Flow control support: send / receive pause frames and receive FIFO thresholds
- Statistics for management and RMON
- 802.1q VLAN support
- TCP segmentation offload: up to 256 KB
- IPv6 support for IP / TCP and IP / UDP receive checksum offload

■ Specification:

Function	2 port 10 GbE LAN PCIe card
Bus Interface	PCIe x 4
Ethernet	2 x 10 GbE RJ45 LAN port
Operating Temperature	0°C ~ +55°C
Dimensions	150 x 76 mm
